

### **Nine million bicycles (Katie Melua)**

There are nine million bicycles in Beijing  
That's a fact  
It's a thing we can't deny  
Like the fact that I will love you till I die

We are twelve billion light-years from the edge  
That's a guess  
No one can ever say it's true  
But I know that I will always be with you

I'm warmed by the fire  
Of your love every day  
So don't call me a liar  
Just believe every thing that I say

There are six billion people in the world  
And it makes me feel quite small  
You're the one I love the most of all

We're high on a wire  
With the world in our sight  
And I'm never tired  
Of the love that you give me every night

There are nine million bicycles in Beijing  
That's a fact  
It's a thing we can't deny  
Like the fact that I will love you till I die

And there are nine million bicycles in Beijing  
And you know that I will love you till I die
